Subject: Intro offer

Date: Wednesday, July 28, 2010, 2:25 PM

We are celebrating our 40th season this coming Sept. Not only we will continue to offer outstanding tennis programs, but we are remodeling and will offer updated locker rooms and a beautiful lounge. We look forward to seeing you back from time to time.

Our normal membership rate is \$275. We also offer a Senior rate, Spouses, Family & Junior rates. These prices are being reduced by \$40 to celebrate our 40th season. Business is very good--we just want to give back to our tennis friends and community. A New Member Introductory Offer is also available. One can join the club for their first year at Trails for only \$137.50. (this is also offered to those who were members but have not been a member this past year or so).

If you have an opportunity, we'd appreciate the Park Ridge Women's Tennis Assn. players being aware of River Trails and our special offer. If anyone wants more info, our website is: [rivertrailstennis.net](http://rivertrailstennis.net) or they can call me at 847-593-0580. We're *The Players' Club* and have something for everyone!

Have fun at your tennis outing/luncheon!
